

## **Group Speech**

Today we are going to work together in preparation for your Persuasive Speech.

At your table each person must have a role in your group's success: Choose WISELY!

Time keeper: make sure this is someone who will keep you on track!

Note taker: this person will record your group's thoughts and ideas!

Reporter: this person will be in charge of reporting back to the class your ideas!

Keeper: this person will keep your group organized, on task, and make sure you are set to complete your project.

As a group you will decide on the topic you want to defend. You will discuss different points that are relevant to your defense. EACH PERSON must have a point (for both sides of the argument) they are gathering information for! (this is required for your grade in the group project)

Time Keeper: Make sure each of your members are finding information in a timely fashion! Should spend about 10 mins gathering defense material per side of the argument (total 20 mins)

Note Taker: Make sure you keep notes of each point each member is researching.

Reporter: speak with each member to make sure you understand their material completely.

Keeper: Make sure each member has done their job, and is on task!

Attached you will find a list of topics to choose from. You must choose one from this list.

You will have Tuesday and Wednesday to gather material. Your reporter will present the material to the class on Thursday (For) and Friday (Against).
